**Unicorn Training's Head Office** can be found close to Bournemouth railway station, just off the A338, and is well served by good road connections and public transport.

## By road

### All routes via Ringwood.

Once you arrive at Ringwood, head towards Bournemouth on the A338. Continue along the dual carriageway until you come to the first major roundabout. Take the first left signposted to Bournemouth railway station/A35 and continue to a second roundabout. Head straight over until you reach a third roundabout, then turn right (exit 3) onto Christchurch Road. Telephone House (No.18) is about 50 yards down on your right.

## Parking

Visitor parking is very limited and it is important that you book a visitor space before you arrive. Visitor spaces can be found to the rear of Telephone House with vehicular access to the front right of the building. Public parking can be found behind Telephone House. From the last roundabout before turning into Christchurch Road follow the signs to Cotlands Road / York Road.

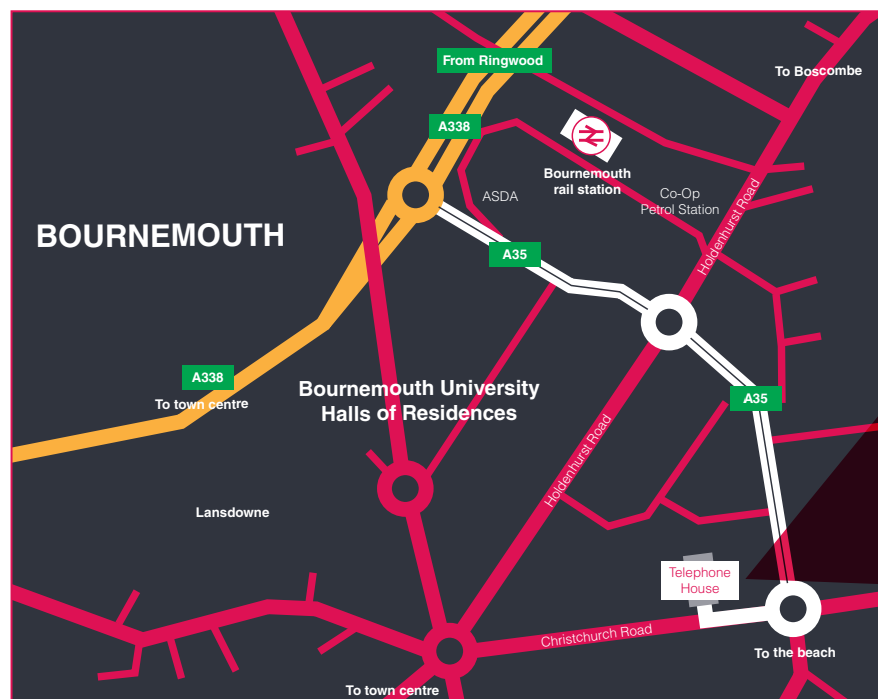

## By rail

**Bournemouth** is on the mainline from London Waterloo via Southampton. From Bristol and Salisbury please change at Southampton. Telephone House is a 10 minute walk from the station.

Upon exiting the station, turn left and walk up the road where you will turn right and walk down towards the roundabout. Enter the subway to go under the roundabout and head straight across. Turn left, and walk up the pathway until you reach the next roundabout. Turn right onto Christchurch Road and Telephone House is 50 yards down on your right.

## By air

Bournemouth Airport is located about 10 miles from the town centre. It has a good taxi service and a regular bus service (737 Jetbus) to the railway station from where you can walk to Telephone House. Alternatively, from Southampton Airport, you can walk to the adjacent Southampton Airport Parkway rail station which is on the direct mainline to Bournemouth station.

## By unicorn

Those that are pure of heart and virtuous of deed can stop off in the New Forest and pick up a unicorn who will fly you right into our reception.
